

Tour «Family Vacation»

Family Holiday Tour - The name itself says that the trip will be interesting and unforgettable. After all, children are our everything and the Eastern proverb «You sow what you reap» we are to live. It will be interesting for children to visit the amusement park in Tashkent and finish the day after the tour with a master class on pottery with paintings of ceramic pots and statuettes. Samarkand will be remembered for its beauty and historical monuments, and for children a master class on making paper and weaving silk carpets. Bukhara will surprise with its fortress and various monuments of antiquity, and a master class on making national dolls from papier-mache will be held for children. All this is interesting not only for children, but also for parents, as these crafts have not changed their traditions for many centuries. It is always interesting to watch parents as they get involved in creativity and games, even more so than their children. Children with a smile watching their parents and dreaming to become like them once. And at the end of a beautiful fairy tale, a trip to the Eco Park «Dzheyran» awaits you, where you will see many species of flora and fauna left on the verge of extinction, because of human activity. The trip will bring you closer to nature and show the importance of conservation for our children!
