

Tour «Two Capitals» 4 days 3 nights

Tour «Two capitals» – held all year round for any number of people. During the tour you will visit the modern capital – Tashkent and the ancient capital – Samarkand. The two cities are absolutely different from each other. Tashkent is more modern, with many new buildings, huge markets, wide streets and roads. Samarkand is the same age as ancient Rome, it is not like any other city. The scale and grandiosity of construction at that time was far ahead of time. Samarkand was built to eclipse all others and masters from all corners of the world took part in it. You will see mosques, tombs, madrassahs and observatories painted with gold and precious stones.
